Empire — THE ART OF PRINTING

Warning, caution, and danger decals are an important part of your business to keep people safe from potential operational hazards. Whether your equipment needs one decal or a multitude of decals, Empire has you covered. Take the guesswork out of applying your warning decals by combining them on a combo sheet. Combo sheets are a great way to keep you organized with everything you need in one place.

For maximum visibility and standard practice, follow the ANSI-approved colors below for screen, flexo, and digital output.
